10-30-02

Robert Duncan

Famed Utah artist Robert Duncan, will unveil his latest painting in the Lodge at Soldier Hollow Friday evening, November 15, at 6:00 p.m.

The unveiling is in conjunction with the second annual fund raising event sponsored by the Soldier Hollow Legacy Foundation and Friends of Wasatch Mountain State Park.

Money raised during the evening will go to Soldier Hollow programs designed to encourage young people to get involved with the fast growing sport of cross country, biathlon and nordic combined skiing.

The evening will feature a silent and live auction as well as a large number of quality items scheduled to be given out with a drawing.

Guests will also have an opportunity to sample "signature" soups and breads from prominent local restaurants.

Commemorative mugs can be purchased to sample the cuisine. Children's cups will be available.

Robert Duncan will be on-hand to visit with guests, answer questions and sign autographs.

Limited edition prints and posters of his latest creation will

be on sale together with five of his favorite works. All proceeds from this event will go toward supporting the youth programs at Soldier Hollow.

For those who feel strongly about the success of the youth programs, but cannot attend, may send their financial support payable to Soldier Hollow Legacy Foundation, P.O. Box 2002, Midway, Utah 84049.

## WELCOME TO HEBER VALLEY

The residents of Heber Valley extend a hand of friendship to you. We are eager to get to know you and to share our warm western hospitality, to make your visit both enjoyable and memorable.

Bask in the spectacular beauty of the natural landscape we enjoy here and the peace and serenity it evokes. We hope you will return again and again to renew the friendships you make during the Salt Lake 2002 Olympics and to enjoy the many winter and summer activities available here.

Our valley has a romantic history of Native American hunters, Spanish explorers and early Mormon pioneer settlers who planted crops, grazed sheep and cattle, built homes and set about to make their settlements places of comfort and beauty. Now recapture with us that spirit of the old west of yesteryear. Enjoy the show.
